About this learning activity

A *Taste of Agile* is designed to provide a basic awareness of Agile work methods, and how you can use them to change the way you work in academics, on the job, or even in your personal life. The course provides a foundational understanding of the values, principles, practices, and patterns of Agile, and the team dynamics that create success.

A *Taste of Agile* is appropriate for everyone: students, workforce-facing team members, executives, managers, and practitioners.

Badge me! This course is the first of three in the Agile Explorer series. Complete all three courses and earn the **Agile Explorer** badge!

Duration: 2 hours, 50 minutes

About this learning activity

Agile Program Fundamentals is designed to help project teams develop the foundational skills to plan, structure, and deliver on programs and projects incrementally and iteratively. This course builds on the foundational awareness from *A Taste of Agile* and *Agile Operations Fundamentals*. You will learn the project pattern and receive guidance on recommended practices, tools, and techniques that align to the core Agile values and principles.

Agile Program Fundamentals is appropriate for everyone: students, workforce-facing team members, executives, managers, and practitioners.

Badge me! This course is the third of three in the Agile Explorer series. Complete all three courses and earn the **Agile Explorer** badge!

Duration: 2 hours, 10 minutes

Primeiro: What is data science?

The screenshot shows the IBM SkillsBuild interface for the course "What is data science?". The user, MARIANA OCIREU DE SOUZA, is logged in. The course is marked as "Completed 16 Mar 2023". The interface includes a navigation bar with "Return to plan", "Previous", and "Next" buttons. The course description states: "Learn why data science is like hunting for treasure! You'll get a closer look at the work and why you might choose it as your own career. Duration: Complete the activities in this course and earn 30 minutes of learning credit!". The tags include "Area of Interest: Data science" and "IBM Learning: 0001 IBM Learning courses". The bottom of the screen shows a Windows taskbar with the date 15/06/2023 and time 19:39.

Segundo: Techniques to Manage, Share, and Put Data to Work

The screenshot shows the IBM SkillsBuild interface for the course "Techniques to Manage, Share, and Put Data to Work". The user, MARIANA OCIREU DE SOUZA, is logged in. The course is marked as "Concluído 16 Mar 2023". The interface includes a navigation bar with "Regressar ao plano", "Anterior", and "Seguinte" buttons. The course description states: "Dive into applications of data science and machine learning. You'll see how programming languages like R and Python and visualization tools like Tableau and ggplot2 can help uncover data's deepest secrets. Duration: Complete the activities in this course and earn 25 minutes of learning credit!". The tags include "Areas of Interest: Data science" and "IBM Learning: 0001 IBM Learning courses". The bottom of the screen shows a Windows taskbar with the date 15/06/2023 and time 19:50.

Primeiro: What is cloud computing?

The screenshot shows the IBM SkillsBuild interface for the course "What is cloud computing?". The course is marked as "Concluído 17 Mar 2023" (Completed 17 Mar 2023). The user profile on the right indicates the user is MARIANA OCIREU DE SOUZA, with a profile picture and email address. The course description states: "Cloud computing involves much more than off-site servers! Learn different ways that data can be stored and managed with the newest cloud technology." The duration is "Complete the activities in this course and earn 45 minutes of learning credit!". The course has 6,786 ratings and a 99% completion rate. The user can view the course progress and actions. The bottom navigation bar includes buttons for "Regressar ao plano" (Return to plan), "Anterior" (Previous), and "Seguinte" (Next). The system tray at the bottom shows the date and time as 19:55 on 15/06/2023.

Segundo: How is cloud computing used?

The screenshot shows the IBM SkillsBuild interface for the course "How is cloud computing used?". The course is marked as "Concluído 17 Mar 2023" (Completed 17 Mar 2023). The user profile on the right indicates the user is MARIANA OCIREU DE SOUZA, with a profile picture and email address. The course description states: "Cloud offers important benefits for corporations and their customers. Learn practical applications for cloud, and get great tips on a getting started in a cloud career." The duration is "Complete the activities in this course and earn 25 minutes of learning credit!". The course has 5,737 ratings and a 39% completion rate. The user can view the course progress and actions. The bottom navigation bar includes buttons for "Regressar ao plano" (Return to plan), "Anterior" (Previous), and "Seguinte" (Next). The system tray at the bottom shows the date and time as 19:55 on 15/06/2023.

Atenção Plena:

The screenshot shows the IBM SkillsBuild dashboard for a user named MARIANA OCIREU DE SOUZA. The dashboard indicates that the user has completed 1 necessary course. A section titled 'Classificações e comentários' (Ratings and comments) shows a 5-star rating (5 de 5) with a note that this is the average rating for 4 students. Below this, there is a rating bar with 4 stars selected and a prompt to 'Classifique esta aprendizagem' (Rate this learning). The user's profile information, including their email and a 'Terminar sessão' (Log out) button, is visible in the top right corner.

Primeiro: Explorations into Mindfulness (Course and Badge)

The screenshot displays the IBM SkillsBuild course page for 'Explorations into Mindfulness (Course and Badge)'. The course is marked as 'Concluído 16 Mar 2023' (Completed 16 Mar 2023). The course description states: 'Are you curious about mindfulness? In this course, learners develop an understanding of mindfulness concepts and techniques. They also learn how to further develop focus and self-awareness and how to apply mindfulness practices in various situations. Badge earners can use these skills as a foundation for further study in mindfulness and to apply mental and emotional management in any career path they choose.' It also mentions that completing the course earns the SkillsBuild 'Explorations into Mindfulness' badge, co-created by IBM and the University of Oxford Mindfulness Centre. The duration is listed as 'Complete this course and earn 3 hours of learning credit!'. Navigation buttons for 'Regressar ao plano' (Return to plan) and 'Anterior' (Previous) are visible at the bottom left, and a dropdown menu for 'Explorations into Mindfulness (C...' is at the bottom right.
